Gordale is very easy to find on the Chester High Road, midway between Chester and Heswall, around 7 miles from each, and around 10 miles from Birkenhead. Just look out for the brown tourist signs.

From Hoylake and Heswall, follow the A540 towards Chester. Gordale is located on the right hand side of the road, approximately 7 miles from the Heswall Glegg Arms Roundabout. Turn right into Gordale at our new traffic lights.

From the M53, leave at Junction 5 and follow the A550 towards Queensferry. Turn right on the A540 at Two Mills and follow the road. Gordale is just past WaterWorld on the left hand side.

From the M56, follow the motorway to the end at junction 16. Turn left on to the A5117, then right after a short distance, on to the A540. Gordale is just past WaterWorld on the left hand side.
